

HON. WILLIS OUMA ONDIEK

UGENYA MANYIEN

MANIFESTO FOR DIGNITY,
OPPORTUNITY AND
SHARED PROSPERITY

A Better Ugenya.
A Dignified People.
A Future We Can
Build and Count On
Together.

ACTIONS, NOT TALK.

MP
MEMBER OF PARLIAMENT
UGENYA
2027

HON.
WILLIS OUMA ONDIEK

KAZI. DOLEDO. KAZI MZIMA.

A SOCIAL CONTRACT WITH THE PEOPLE OF UGENYA

Ugenya deserves leadership that listens, plans and delivers.

Our people deserve a leader who understands their daily struggles and is prepared to work tirelessly to provide practical solutions. Development should not be measured by speeches, but by the quality of life enjoyed by ordinary citizens.

The people of Ugenya deserve clean water, quality healthcare, meaningful education, reliable infrastructure, employment opportunities, support for vulnerable families and an economy that enables every household to prosper.

Ugenya Manyien is a commitment to servant leadership, accountability and inclusive development - ensuring that every village, household and generation benefits from meaningful and sustainable progress.

THE EIGHT-PILLAR AGENDA

01	WATER FOR EVERY HOUSEHOLD
02	QUALITY HEALTHCARE WITH DIGNITY
03	EDUCATION FOR THE FUTURE
04	PROTECTING THE VULNERABLE
05	AGRICULTURE - THE HEART OF UGENYA
06	YOUTH, EMPLOYMENT AND ENTREPRENEURSHIP
07	WOMEN EMPOWERMENT
08	INFRASTRUCTURE AND DIGITAL CONNECTIVITY

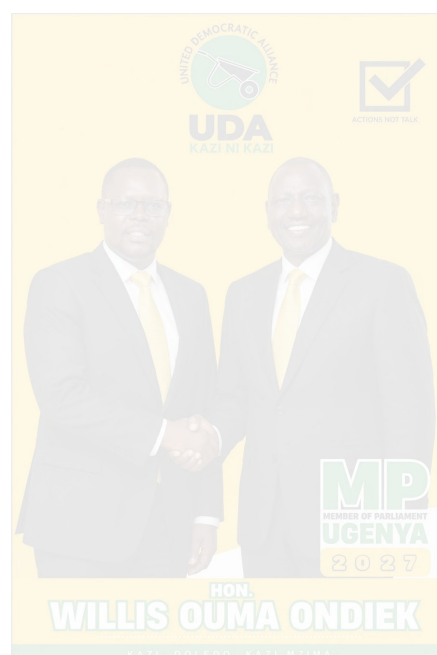

01

WATER FOR EVERY HOUSEHOLD

Water is life. No family should walk long distances in search of safe drinking water.

- Construct boreholes in strategic locations across the constituency.
- Expand community water projects and piped water systems.
- Rehabilitate and modernize existing water infrastructure.
- Protect rivers, springs and wetlands through community conservation initiatives.
- Promote rainwater harvesting in schools, health facilities and public institutions.
- Establish community water management committees to ensure sustainability.
- Support irrigation projects to increase agricultural productivity.

Every household should have access to clean, safe and affordable water.

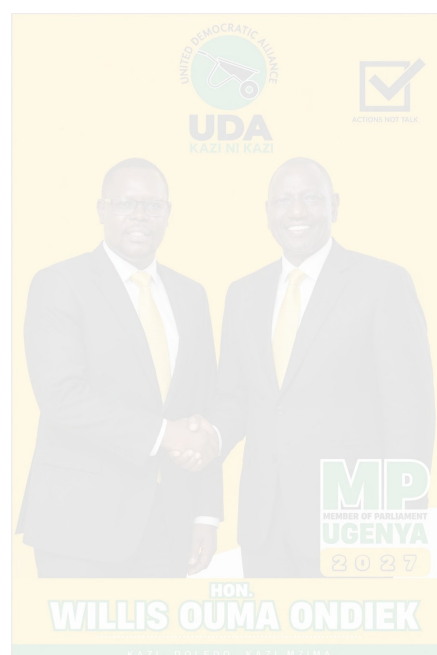

02

QUALITY HEALTHCARE WITH DIGNITY

Healthcare is a right, not a privilege. No mother should lose her life while giving birth because a facility lacks equipment.

- Improve and equip health facilities across the constituency.
- Advocate for construction and upgrading of health centres.
- Ensure consistent supplies of essential medicines.
- Improve maternal and child healthcare.
- Strengthen emergency medical services and ambulance access.
- Support Community Health Volunteers through training and facilitation.
- Promote preventive healthcare, sanitation and public health education.
- Advocate for improved staffing and working conditions.
- Support mental-health and non-communicable-disease programmes.
- Promote early screening and treatment of common illnesses.

A healthy Ugenya where every resident receives quality healthcare with dignity.

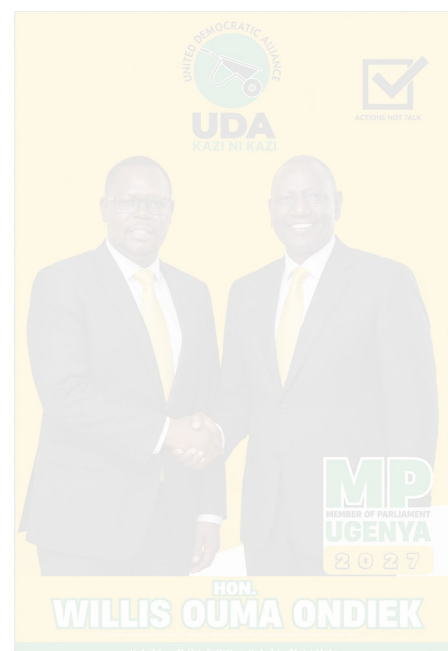

03

EDUCATION FOR THE FUTURE

Education remains the greatest equaliser. Every child deserves an opportunity to learn, develop talent and prepare for a productive future.

- Improve classrooms, laboratories and sanitation facilities.
- Expand bursary programmes for learners in need.
- Improve early-childhood and primary-school learning environments.
- Strengthen secondary schools through better infrastructure.
- Expand and modernize TVET institutions.
- Promote digital literacy, innovation, mentorship and career guidance.
- Establish community digital libraries and equip public libraries.
- Link education with employment opportunities and industrial skills.
- Champion establishment of a public university in Ugenya through relevant national institutions.

Education with opportunity - from the classroom to university, TVET or enterprise.

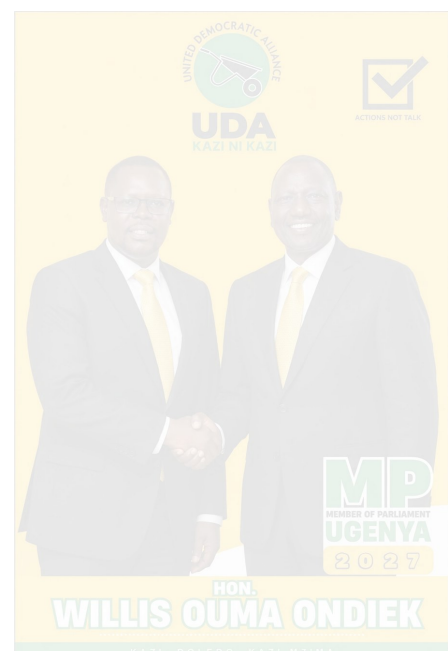

04

PROTECTING THE VULNERABLE

A caring society protects those who need support the most.

- Support teenage mothers returning to school.
- Sponsor education for vulnerable learners.
- Provide psychosocial support for orphans and vulnerable children.
- Protect children from abuse and exploitation.
- Build partnerships with churches, NGOs and community organisations.
- Support persons living with disabilities and senior citizens.
- Provide skills training and empowerment for vulnerable households.
- Strengthen community counselling and family-support initiatives.

No one should be left behind.

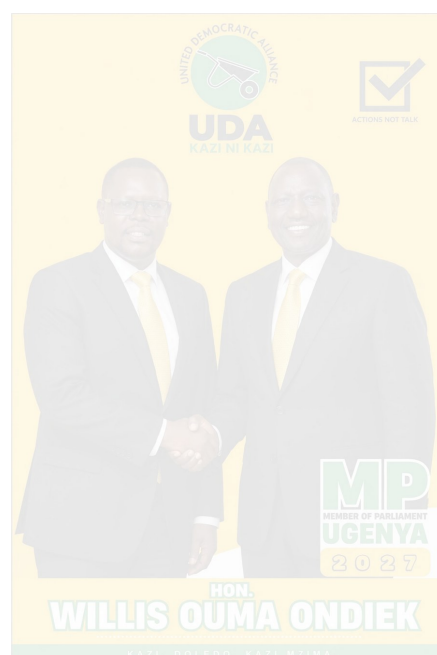

05

AGRICULTURE - THE HEART OF UGENYA

Farmers feed our families and sustain the local economy. They deserve support that increases productivity and income.

- Facilitate timely access to subsidized fertilizers and quality inputs.
- Improve extension services and climate-smart agriculture training.
- Promote irrigation, water harvesting and mechanisation.
- Advance value addition and agro-processing.
- Encourage farmer cooperatives and affordable agricultural credit.
- Connect farmers to programmes, partners, technology and markets.
- Strengthen livestock production and fisheries.
- Improve market access through roads and market infrastructure.

Empower the farmer, strengthen households and build a food-secure Ugenya.

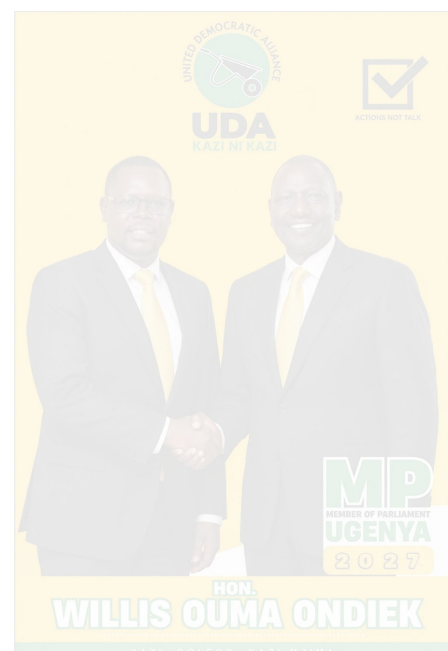

06

YOUTH, EMPLOYMENT AND ENTREPRENEURSHIP

The future of Ugenya lies in empowering young people to work, innovate and build businesses.

- Establish youth innovation and entrepreneurship centres.
- Support access to affordable business financing.
- Promote vocational skills and digital employment.
- Create internship and apprenticeship opportunities.
- Support sports and talent development.
- Encourage ICT innovation and online employment.
- Facilitate youth participation in government programmes.

Turn talent, ambition and innovation into sustainable livelihoods.

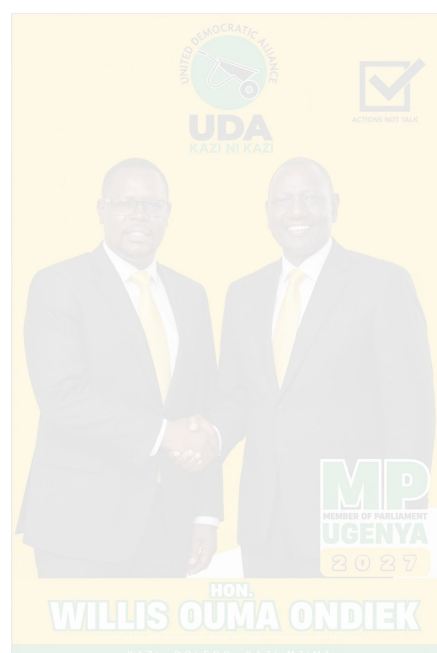

07

WOMEN EMPOWERMENT

Women are the foundation of our families and communities.

- Strengthen women-enterprise programmes.
- Promote financial inclusion through savings and investment groups.
- Support maternal healthcare and women's leadership.
- Encourage value-addition enterprises run by women.
- Protect women against gender-based violence.

Opportunity, safety, leadership and financial inclusion for women.

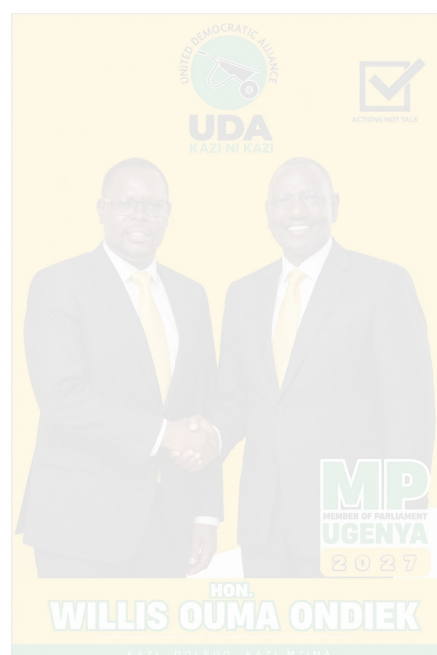

08

INFRASTRUCTURE AND DIGITAL CONNECTIVITY

Development requires strong physical and digital connections.

- Better roads connecting villages.
- Expansion of rural electrification.
- Improved internet connectivity.
- Street lighting in trading centres.
- Better drainage systems.
- Modern markets for traders.

Connect every community to services, markets and opportunity.

A COMMITMENT TO DELIVERY

This manifesto is more than a campaign document. It is a social contract between leadership and the people of Ugenya.

Our development agenda is centred on the ordinary citizen: the mother searching for clean water; the patient waiting for medicine; the learner seeking school fees; the young person looking for employment; the farmer striving for better harvests; the entrepreneur building a business; the elderly seeking dignity; and the vulnerable child hoping for a brighter future.

UGENYA MANYIEN STANDS FOR

- Water for Every Household
- Healthcare with Dignity
- Education with Opportunity
- A Public University in Ugenya
- Protection for the Vulnerable
- Agriculture that Creates Wealth
- Youth Employment and Entrepreneurship
- Women Empowerment
- Better Infrastructure and Digital Connectivity
- Transparent, Accountable and People-Centred Leadership

Together, we shall build a thriving constituency where every village matters, every household counts and every child has an opportunity to succeed.

HON. WILLIS OUMA ONDIEK

UGENYA MANYIEN

ACTIONS, NOT TALK.
